Welcome to 3Shape Academy UK

Innovation is deeply rooted in our DNA.
It drives our success.

3Shape invests many resources to build an environment filled with inspiration and freedom – driven by purpose and vision. We do our utmost to create the best learning environment for you.

Your 3Shape solution is a product that will continually develop. As the digital ecosystem changes it is imperative that 3Shape customers have access to the latest innovations and digital solutions as they develop.

Through the 3Shape Academy we want to bring the cutting edge closer to you. From refresher and tips and tricks courses that hone your skills, to introductions to advanced workflows and innovative design. The 3Shape UK syllabus is designed with your growth in mind.

It is our goal to ensure you get the most out of your 3Shape solution.

Testimonials

Professional trainers

“Training was excellent! Dale’s knowledge of the technology is awesome. Thanks to him I’m using my TRIOS with great regularity and more importantly with outstanding results”

Mervyn, London

Putting knowledge into practice

“Michal’s in-depth knowledge of the software, along with his excellent communication skills have helped us to deliver predictability to our valuable customers”

Luke, Watford

World class standards

“The team were very helpful and knowledgeable and were able to help streamline the workflow for many treatments we carry out. I can’t wait to attend again to further enhance my skills”

Anup, Braintree

First-hand experience

“The training was very interesting, and the made-to-measure approach was most helpful. 3Shape’s hospitality was also priceless and I hope to come back to Reading again soon”

Agnieszka, Warsaw

How to find us

By car

- Shape UK is located in Green Park, Reading, which has direct access to M4 Junction 11. There is plenty of onsite parking available.

By train

- Our local station is Reading, just 8 minutes away, and one of the best-connected stations outside London.
- Shuttle buses run to Green Park from the town centre and the rail station every 10 minutes at peak times.

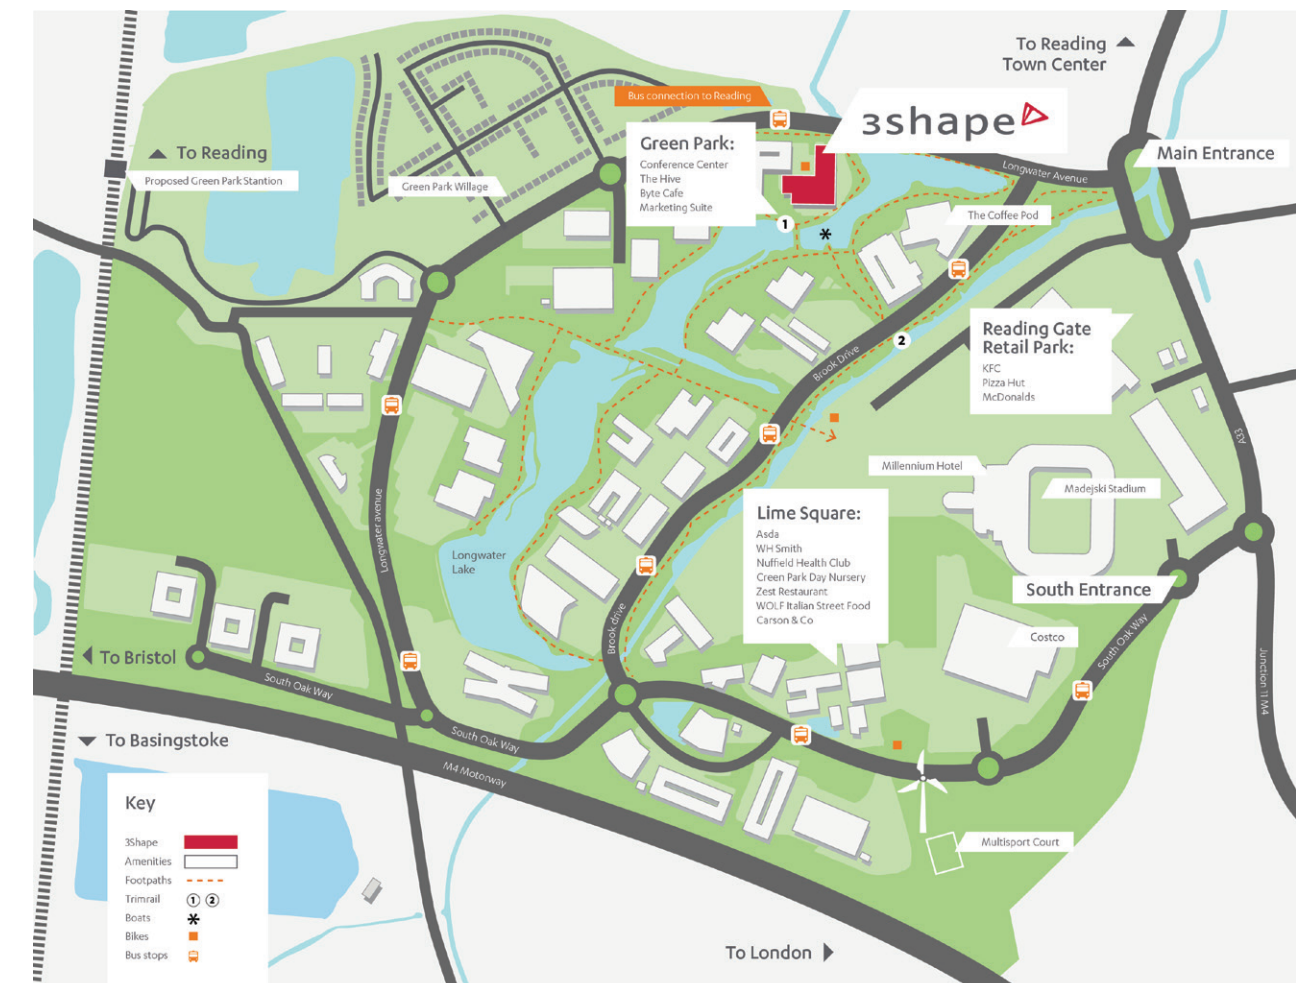

Airports:

Heathrow

- The quickest way to get to Heathrow airport by road is straight up the M4, it takes around 30 minutes depending upon traffic density. The Railair Link bus offers a direct service from Reading station to Heathrow, every 20 minutes. Taxi service with Vibe Cars to/from Heathrow £45 each way + parking. To book, please email info@vibecars.co.uk or call 01189 291 636.

Gatwick

- Gatwick is about 1hr 20 mins away via the M4 and then the M25. There is also a direct train between Reading station and Gatwick, every hour.

3Shape Community

A digital platform designed to help trusted partners support and serve 3Shape users through relevant, timely content, training, and support.

Latest software upgrades and documentation

Latest software and technical documentation including setup guides, info packs, demo cases and much more.

All you need for your marketing campaigns

From product images to customer testimonials, find all the material for the next marketing campaign or event.

Go-to-market and sales tools

Get the sales tools to engage customers on their digital journey with the 3Shape products and solutions.

Academy and training

Training materials, schedules of training courses and webinars to help you learn and deliver a successful training.

3Shape TRIOS Ready Lab Program

We live in a connected world. The faster and simpler the connection to your customer, the better for your business. The 3Shape TRIOS Ready program cloud-connects dental practices and labs. It means dentists using TRIOS can find a lab listed on our website and simply connect with them to share scans, discuss cases and much more.

Check out TRIOS Ready “How to” videos

See how seamless the integration between TRIOS and Dental System is in our “How to” video webinar series. Brush up on your design skills with our tips and tricks webinars for restorative and orthodontic cases.

Deliver a trial case to get TRIOS Ready

Contact us and the TRIOS Ready program will help you setup your system and complete a TRIOS workflow trial case. We'll help you create your 3Shape Communicate account, prepare connectivity, and ensure your Dental System is completely up-to-date. The trial and your listing, as a TRIOS Ready lab, is all free.

Evaluation and endorsement

Once the trial case is complete, you and your 3Shape representative will evaluate the results and see if you need to fine tune the workflow. Once optimized, you're ready – TRIOS Ready.

Upon completion

- You'll receive a TRIOS Ready diploma for your marketing material
- We'll add your lab to the TRIOS Ready lab directory on our website

Be a TRIOS Ready lab – it's easy!

Terms and Conditions

Registration

Places are registered via online booking form 3shape.com/en/academy-uk

Privacy Policy and GDPR

Full details of our Privacy Policy and GDPR guidelines can be found on our website www.3shape.com/privacy-policy and www.3shape.com/gdpr

Eligibility

A dongle number must be provided to validate eligibility to attend.

Cancellation

All cancellations must be made no later than 14 days prior to relevant course date to receive a full refund. In the unlikely event of the training being cancelled by 3Shape, the fee paid will be repaid in full. 3Shape is not responsible for expenses associated with accommodation or travel.

Confirmation

Places are only confirmed once payment is received. A confirmation will be sent via email.

Invoicing and payment

The participation fee will be charged upon receipt of the registration and is payable by invoice. All prices are inclusive of VAT.

Equipment

3Shape shall provide all the necessary equipment required for the training including a laptop and 3Shape software and hardware. However, we encourage you to bring your own laptop should you wish to practice on your own equipment.

ISO Compliance

As a medical device manufacturer, we must stay compliant with the ISO 13485:2016 regulations. Each training must be documented in our internal CRM. Therefore, valid contact details must be collected for each participant.

Catering

Lunch and refreshments are included in the cost of training.

About 3Shape

3Shape is changing dentistry together with dental professionals across the world by developing innovations that provide superior dental care for patients. Our portfolio of 3D scanners and CAD/CAM software solutions for the dental industry includes the multiple award-winning 3Shape TRIOS® intraoral scanner, the 3Shape X1® CBCT scanner, as well as market-leading scanning and design software solutions for both dental practices

and labs. Two graduate students founded 3Shape in Denmark's capital in the year 2000. Today, 3Shape employees serve customers in over 100 countries from 3Shape offices around the world. 3Shape's products and innovations continue to challenge traditional methods, enabling dental professionals to treat more patients more effectively.

Let's change dentistry together
